BRYANT CHRISTIE INC.

Global MRL Database at www.GlobalMRL.com

- Launched February 2015
- MRLDatabase.com Enhanced
  - Improved user interface with same set of pesticide MRL data
  - Subscription currently open access to all
  - Use your previous MRLDatabase.com login and password at https://www.globalmrl.com/db#query
  - Or get a new login at https://www.globalmrl.com/db#register

Global MRL Database

- More changes coming this summer
- MRLDatabase.com Enhanced will be replaced by two types of access
  - US users only: MRL Database with US and corresponding international MRLs
  - US & international users: US tolerances (MRLs)
- Veterinary drug database will be upgraded
- Processed commodity MRLs (e.g. flour; vegetable oils) and US import tolerances will be included
- Menu of pesticides and commodities based on those for which the US sets tolerances (40 CFR 180 Subpart C-Specific Tolerances)

Additional Subscription Types Available

- Fee based subscription service for three levels of access providing additional types of data and features
  - Standard
  - Professional
  - Enterprise
- Provides a global perspective with MRL regulations available for over 800 active ingredients and 700 commodities in more than 100 countries.

SUBSCRIPTION TYPE

Standard

Includes:
- Raw commodity MRLs in force
- Deferral and default MRLs
- US Section 18, regional, time-limited, and US import tolerances
